Welcome to Stafford House Study Holidays 2012

What we do

Stafford House Study Holidays provides high quality summer English and activity courses for young learners, junior and teenage students. Our courses are based at university campuses or in prestigious private boarding schools.

We enjoy a reputation for providing effective language lessons and running well-organised activities and excursions – all within a safe and friendly environment throughout the UK and USA.

The English lessons

Tuition is provided by qualified teachers, who have access to a wide range of materials and resources. We allow equal importance to both the academic and leisure parts of the programme and aim to encourage students to use the language rather than to 'learn about' the language.

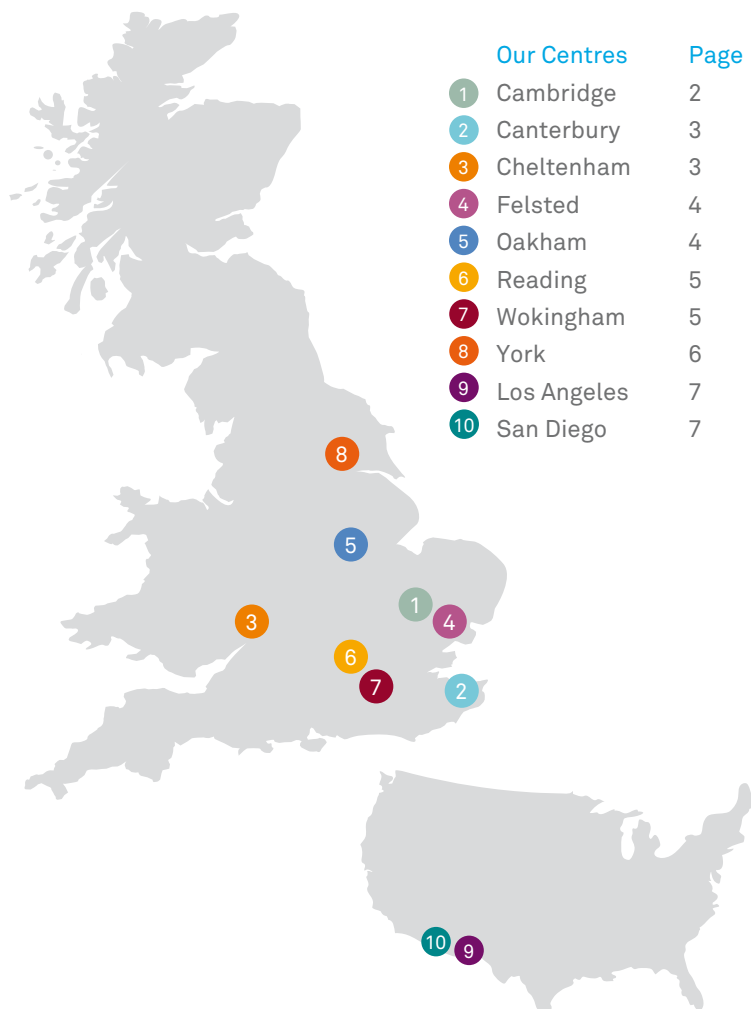

The leisure programme

We provide a full weekly programme of on-site activities and excursions. These are planned and operated by our teams of motivated activities and welfare staff.

We look forward to welcoming you to our centres in Summer 2012!

Ruth Fenton

Director, Stafford House Study Holidays
